Subject: Thank you

Dear Debra,

I just wanted to thank you for all your support, hard work with the Treasure Island Development Authority accounting project. I greatly appreciate your sense of professionalism and dedication in seeing through the vast amount of work that we covered during the period of our MOU. Thank you also for all your efforts in training me and Nikki in the new accounting procedures. We are very pleased with the results of our revised policies and procedures for cash receivables and hope to work with you in the future on the expenditure side of our operation.

Thanks again and it has been a pleasure working with the Controller's Office Fast Team.
